NOTE:- (NUMBER OF CULTURAL ACTIVITIES ORGANIZED BY AMIMT)

Encourage students to come out of their comfort zones- These activities over the year have helped our students to come out of their comfort zones. Interactive sessions with the Director of the institute on areas of motivation, life skills and emphasis to do hard work, sports, facing challenges, etc. have widened their thought process to manage their inner as well as the outer world. Also, a dedicated Mentor-Mentee system works arduously towards the same, wherein a group of 10-15 students is allotted a mentor who keeps a close personal and academic connection with the students. The evidence can be seen in their improved confidence. Also, the increased number of placements over the years and employers has been commendable
